MORRIS & Co

William Morris, artist, philosopher, poet and political theorist, was also an outstanding and influential designer. Under his direction, Morris & Co. grew into a flourishing and fashionable decorating firm, renowned for its wallpapers and textiles.

The Morris & Co. trademark guarantees authentic versions of those enduring designs.

"Strawberry Thief" pattern, depicting the thrushes that Morris found stealing fruit in his kitchen garden, is from the Morris & Co. Archive.

The fragrance created complements this artistic style with rich, earthy scents based on sandalwood, patchouli, amber and incense oils. Blended to embrace a heart of deeply restorative rose and violet, topped with notes of dew-fresh red berries, mandarin, bergamot and pepper, melded together to deliver crispness with warmth.
