

# Sanderson

## Porcelain Garden

Inspired by early 19th Century hand-painted Chinese wallpapers, Porcelain Garden depicts glorious peony blossoms and exotic birds in a soft watercolour style.

Delicately fragranced with the rain kissed floral scent of apple blossom, jasmine and muguet on a musky moss base, creating a sensorial trip through a dewy morning garden, with inimitable Sanderson grace, makes Porcelain Garden a collectable and prized addition to Sanderson Toiletries 2013.

Parabens and sulphates free

Inspired by early 19th Century hand-painted Chinese wallpapers, Porcelain Garden depicts glorious peony blossoms and exotic birds in a soft watercolour style.
